Travel is a \$1.3 trillion industry in the US alone, with 82% of all personal travel being booked online. We have teamed up with Dana Schrenk, Cary Academy Alum and representative with Passport to Giving to create an exciting way to earn money for our school, without doing anything different – except using Travel Cary Academy rather than Expedia, Orbitz or Travelocity to book your next get away...

Here are some FAQs to learn more...

IS THERE A COST TO USE THIS WEBSITE?

Absolutely not! It's just like any other travel website you see spending their money on advertising. In fact, the prices are always comparable and usually less than the more –recognized travel sites – give it try and see what we've already found out – it's substantially less.

HOW DOES THIS WORK?

Each time travel is arranged through an online travel website, travel companies pay commissions for your reservation. When travel is booked on our new website, Cary Academy will receive 60% of these commissions paid as royalties. This can have a huge impact on our operating budget!

WHO CAN USE THIS WEBSITE?

Anyone and everyone. We are hoping that not only our current families, faculty and staff will switch over booking all their travel needs from other online sites to www.travelcaryacademy.com but our grandparents, alums, extended families, neighbors, vendors, etc. We're counting on you to pass this exciting news and website along to anyone you know who books their own travel online. We will be using it internally for all the school's travel as well.

WHAT ARE SOME OF THE WEBSITE FEATURES?

If you are familiar with booking travel online, you shouldn't have any trouble navigating our website. The website functions are in a similar manner to other travels sites. Some key features are:

- Air, hotel and car rental search and booking features
- Vacation packages
- Cruise Packages
- *Additional features:* Ordering flowers on-line as well as event and sport tickets

GROUP TRAVEL?

In addition to the travel website, we also have group travel services provided to us through this program, where a group travel specialist is available to arrange group travel events. This includes internal group travels as well as fundraising travel events that can be arranged for supporters.

WILL ANY LISTS FROM CA OR THE SITE BE USED OR DISTRIBUTED?

Absolutely not! No solicitations made towards you and no user lists sold whatsoever!
