

## CARY ACADEMY

### College Acceptances and Matriculation

In the spirit of Cary Academy’s mission to create bold, self-directed, and lifelong learners who will make meaningful contributions to the world, we share our 3-year College Matriculation list to celebrate the excellence of every college our students chose to attend. Cary Academy recognizes that the decision of where to enroll is a personal one made for any number of reasons by each student and family, and that where a student enrolls is far less important than how they engage with their college experience.

The 111 members of the Class of 2021 chose to attend 49 different colleges in 18 states, Canada, China, and United Kingdom.\*
